

PUBLIC WORKS DEPARTMENT REPORT

Prepared by: Jason Zohr, Works Superintendent

Prepared for: Council Meeting

MARCH 4, 2025

1. **Huge Snowfall:** First huge snowfall of the winter occurred on February 13, 2025 and continued off and on until February 16, 2025. The public works crew deserve kudos for their hard work in ensuring roads were safe and cleared in a timely fashion. We are still doing clean up and are striving to remove snow from village and thank our residents for their patience and for the kind comments received.
2. **Lakes, Ditches & Community Clean-up Days 2025:** Any Bonnechere Valley resident who assist in cleaning up our township lakes, ditches and community can take their bag of garbage for FREE to the Sand Road Waste Site.

Recommendation: That we continue with this initiative as we have done in the past and the suggested dates are: Saturday, April 19, 2025 and Saturday, April 26, 2025. As Earth Day is Tuesday, April 22, 2025.

3. Easter Waste Site Hours:

- Saturday, April 19, 2025 – Sno Drifters, Sand Road, Hwy 41 and Ruby Road Sites are OPEN
 - Sunday, April 20, 2025 – Lake Clear and McGrath Road Sites are CLOSED for Easter
 - Monday, April 21, 2025 – Sand Road Waste Site is CLOSED for Easter Monday.
4. **OCIF Annual Financial Report:** We completed and submitted our OCIF Annual 2024 Financial Final Report on the Zadow Road Construction Project.
 5. **Annual Waste Site Reporting:** We gathered and submitted information to Cambium for them to prepare the 2024 Annual Waste Site Reports.
